### YMCA Exceeds Campaign Goal; Tops Previous Drives

A year of dire financial difficulties has ended for the Torrance YMCA. Topping all previous goals, the recent fund drive has assured a booming year ahead with a full program for the local kids.

Mayor Albert Isen, who headed the drive, personally raised more than \$5,000 and over 800 individuals and firms in the city got behind the "Y" contributing \$37,000 on a \$30,000 goal.

Size of gifts received in the campaign ranged from an average of \$33.64 to collections such as the \$100 each contributed by members of the YMCA Century Club headed by Scott Albright.

High Honors The Professional Division headed by Drs. Allen Pyeatt and Stanley Yanase took high honors raising 125% of their goal.

Runners-up were the Downtown Merchants, under Ben Smith. The Industrial Division under the joint leadership of Glenn Koger, George Bradford and George Heaton came next raising \$4000.

Exceeds Quota Three additional Divisions exceeding their quotas were parents, Robert Hamer; North Torrance, Jeanne Gerald and Kenneth Lyeda; and the Dairyman, Stanley Voges.

Other divisions sharing in the victorious campaign were: Youth, Norman Bostick and the Car Clubs Associated; Service Clubs, Mervin M. Sewab; Riviera, Maurice Wilson; Walteria, John Strech; Organized Labor, Richard Baurman; Women, Clara Conner; Southwood, Clifford Nickles; and Church, Rev. John Simmons.

Altogether at a cost of only \$600 or less than 2% of the "Y" budget the Campaign has made possible an expanded club program that will include boys six to 18 and Summer Camping opportunities for more than 1400 boys and girls.

### Key Medical Appointment Made at Mary Hospital

Mother M. Genevieve, president of the Board of Directors of the Hospital, and Dr. John A. Wilson, president of the Executive Committee, announced the appointment of Dr. John R. McGrath of Manhattan Beach as Chief of the Department of Pathology at the Little Company of Mary Hospital.

Dr. McGrath attended the University of Idaho and the University of Southern California School of Medicine. He served internship at the Santa Fe Coast Lines Hospital, Los Angeles, and his residencies in pathology at the St. Louis City Hospital, St. Louis, and at the V. A. Sawtelle Hospital, Los Angeles. Besides four years of enlisted service from 1942-46, he spent two years in Japan during the Korean conflict with the Medical Corps.

He is a member of the L. A. County Medical Association, the California Medical Association, the American Medical Association, the L. A. Society of Pathologists, the California Society of Pathology, and the College of American Pathologists. He served as chief pathologist at the Los Angeles County Harbor General Hospital from 1954 to 1956, and is at present Pathologist at the Centinela Valley Community Hospital, Inglewood. In addition, he held the post of full time instructor of Pathology until 1956 at the UCLA School of Medicine, where he is at present Clinical Instructor in Pathology.

**BIFOCAL COMPLAINTS Often Start HERE!**

People who complain about bifocals generally have difficulty seeing clearly at distances between 18 and 50 inches. If that is YOUR trouble, come in and let us show you how Continuous Vision Glasses can clear up that aggravating middle distance blur. Find out how you can again read package labels on store shelves, see clearly across the car table, check the instrument panel on your car, etc.

Say "goodbye" to the craning and squinting that cause eyestrain, headaches, and nervousness! Ask for a demonstration of Continuous Vision Glasses without obligation. Easy terms on all glasses. Pensioners welcome.
